English Breakfast Tea

Full-bodied, rich and refreshing, with a bright inviting colour.

Decaffeinated Breakfast Tea

Full-bodied, rich and refreshing, with a bright inviting colour.

Earl Grey Tea

Finest quality black China Congou leaf blended with the essential oils of the bergamot fruit, which has a fresh, citrus flavour.

Assam Tea

Assam tea is a black tea named after the region of its production, Assam, India. Assam tea is manufactured specifically from the plant *Camellia sinensis* var

Organic Peppermint

Large organic peppermint leaves are used to make a minty, refreshing drink that is highly satisfying both hot and cold. ... Steenberg's organic peppermint is a lively and refreshing organic herbal tea with a wonderful clean, fresh, minty aroma and a light green colour.

Lemon and Orange Tea

A blend of fragrant zingy lemon with the warmth of orange fruit, creating a deliciously invigorating infusion

Green Tea with Jasmine

Jasmine green tea is made by infusing green tea leaves with jasmine flowers. It has a mild caffeine content. Some jasmine green teas contain dried flower blossoms in the loose leaf tea. Others simply use the blossoms to scent the leaves and then remove the flowers before packaging.

Organic Chamomile

A light summery herbal tea made from Chamomile flowers that tastes gorgeously mild and refreshing. It's a most soothing infusion, used in ancient Egypt to help calm and relax nerves and still relevant today with its emollient, anti-inflammatory and anti-anxiety properties.
